

Quality Policy

The company aims to be the preferred supplier to our customers by meeting and satisfying customer requirements via a process of continual improvement. Quality is built in during product design and maintained during production and after sales service.

The company operates and maintains a quality management system in accordance with ISO 9001:2015 and BS EN ISO/IEC 80079-34:2011. The processes, which underpin our business, are subject to continuous monitoring, review and improvement.

The company has a policy of employee training and personal development to maximise the contribution of all members to achieving the company's objectives.

Gerry Beetles
Executive Chairman
